Hi Marissa,

A few weeks ago I was researching the name Jobar Packaging. That's the company that sublet space at 29 Riverside Ave from Ted Frey when he was operating there as Frey Industries.

Jobar was owned by a guy named **FOIA Exemption 6**. I found two addresses for **FOIA Exemption 6** in PA, one in New Hope and one in Huntington Valley; both locations are about 1.5 hours from here.

So I sent a note to each address asking **FOIA Exemption 6** to call me. Last week I got the letter addressed to him in New Hope returned as undeliverable. I have not gotten the other letter back, so I think that he's living at the Huntington Valley address. If I get some free time in the next couple of weeks I'll take a ride out to there and try to confirm it is indeed his address, then we can send a 104(e) to him. I think he's a solid PRP for this Site.

The address is: **FOIA Exemption 6**
